1. Riding Area Requirements

Choose an open space away from vehicles and hazards. Keep the ground flat with gentle slopes to ensure safety.

2. Supervision & Guidance

Teachers must stay with children at all times. Correct improper movements and offer safety guidance in a timely manner.

3. Play Instructions

Two children are required to play. The child in front steers, and the one at the back pushes to move the cart forward or backward. When going downhill or speeding up, pull the brake upward with your right hand.

4. Notice

The toy should be used with caution since skill is required to avoid falls or collisions causing injury to the user or third parties.
